

Online Discussion

#EcoTales:

Exploring Sustainability

through Storytelling

in Early Childhood Education

Wednesday, 1 October

14:30 to 16:30 CET

Online via **zoom**

Co-funded by
the European Union

Join us for the final virtual conference of the Creative Storytellers (CST) project!

The Creative Storytellers consortium invites you to join an online discussion on **Wednesday, 1 October, from 14:30 to 16:30 CET**, focused on innovative ways to integrate sustainability and the Sustainable Development Goals (SDGs) into early childhood education.

During the event, you will hear from experts, explore project results, and discover inspiring stories from educators who have successfully brought sustainability to life in their classrooms.

AGENDA

- | | |
|----------------------|---|
| 14:30 – 14:40 | Welcome & Opening Remarks |
| 14:40 – 15:00 | SDGs and Early Childhood Education |
| 15:00 – 15:15 | Highlights and Milestones from the CST Project
An overview of the project's key achievements, innovative practices, and resources developed to support sustainability in early childhood education. |
| 15:15 – 15:45 | Voices from the Field: Educator Experiences
Educators will share their experiences implementing the CST approach, highlighting key aspects such as the challenges of using digital tools, engaging parents, integrating digital apps, and the need for more training in sustainability for pre-primary and primary education. |
| 15:45 – 16:00 | Open Discussion & Closing |

WHY ATTEND?

- ✓ **Learn** how sustainability connects with early childhood education
- ✓ **Hear** directly from educators about their experiences
- ✓ **Get access** to CST resources and tools
- ✓ **Network** with professionals passionate about sustainability in education
